

Why am I here? Why do I hurt? Why do bad things happen to me? Where am I going? Why do I care? Why do you care? Why are some people happy? Why am I not? Why do I feel alone? Why do I have addictions? Why do I feel the weight of the world on me? Why do I have stress? Why am I angry? Why do I feel trapped? Why do I feel disconnected from my friends? Family? Where is my confidence? Where is my strength? Where is my anchor? What am I doing? What is the purpose of MY life? Will I go to heaven if I am good? Do I have to be perfect? Who is Jesus?

What Do You Think?

Alpha is a 12-week experience where people from all backgrounds come together for a conversation about the relevance Jesus has for their lives today.

You are invited
for dinner and conversation on
Sunday, September 27th.

We will be talking about the *Alpha* Course and what it offers. We invite you to attend and share your thoughts and questions on any of the subjects listed.

The night will start at 5:00 p.m. with dinner (free) and conversation, then a short talk explaining the course, then dessert, then wide open discussion. Nothing is off limits! We will see that the discussion is controlled so it is tasteful and respectful to others.

If you decide to attend the course, it is held on Sundays, for twelve weeks starting September 27th. It is free of charge and all course materials will be

provided. It will follow the same format as the dinner night and will end no later than 7:00 p.m.

Both the dinner and the course will be held in the lower level (Fellowship Hall) of United Baptist Church building at 86 Middle Street in Old Town (corner of Middle and Fourth Streets).
