

Welcome to UBC

We are glad that you have chosen to visit United Baptist Church in Old Town!

We do not profess to be the perfect church, but it is our desire and intent to be the best we can be, living lives worthy of the Lord.

Our purpose is to love God, to love people, and reach out in love to move people ever closer to the Lord, who gave His life for them.

Loving God and Loving Others

CONNECT

WORSHIP SERVICES:

During our worship services, we strive to create a place where you can **connect** with God and other people. Life change is our number one goal by providing relevant Biblical teaching, music and worship in a warm and welcoming environment. Our worship services are a safe place to hear a life-changing message:

Sunday 8:45 AM - Traditional Worship with hymns, organ, choir, choruses and sermon.

Sunday 11:00 AM - Contemporary Worship with guitars, drums, worship team, choruses and sermon. Children's Church for ages 3-10.

Childcare is available for infants and toddlers during all worship services.

ALPHA COURSE:

Alpha is a 12 week experience where people from all backgrounds can come together for a conversation about the relevance Jesus has for their lives today. Alpha includes a weekly home-cooked meal, a brief talk and discussion. There is no cost for the dinner or course materials.

Four Environments:

Our main goal at United Baptist Church is to change lives by creating environments where everyone can worship, build relationships, serve in a meaningful way and share their faith:

CONNECT → **GROW** → **SERVE** → **SHARE**
Connect with God & others Grow through relationships Meet real needs Share Christ

GROW

SUNDAY SCHOOL:

We offer Sunday School classes for children, teenagers and adults each Sunday morning from 10:00 – 10:45 AM.

Our adult classes use the **Adult Bible Fellowship** model. Each class consists of between 15 and 30 people. New people are welcome to join at any time. Each class has a teacher/ facilitator plus several other people who help organize social, service and outreach projects. The Bible is the chief curriculum. A study guide may also be used in some classes.

Pick up a **GROW** brochure to learn more about our Sunday School ministry.

SMALL GROUPS:

During our weekly small groups, we strive to create a place where people can **grow** deeper in their relationship with God and each other.

Our desire is that everyone at United Baptist Church will participate in a weekly small group. This will help everyone stay closely connected and grow together spiritually. Small groups begin each January and September. Pick up a **GROW** brochure to learn more about small groups.
