

Growing at United Baptist Church

“We were not meant to remain as children, but to grow up in every way in Christ.”

We believe:

- ♦ Spiritual maturity is being like Jesus!
- ♦ Spiritual maturity is not automatic!
- ♦ Disciples need to develop godly habits!

Four Environments:

Our main goal at United Baptist Church is to change lives by creating environments where everyone can worship, build relationships, serve in a meaningful way and share their faith.

SMALL GROUPS

It is our belief that small groups play a major role in how the church is to function in relationship with God and each other. (Acts 2:42-47, Hebrews 10:25)

Small groups are God’s model for discipleship by:

- Developing meaningful relationships.
- Holding each other accountable to the work and grace of God in our lives.
- Growing in faith and the personal application of the Bible.

Jesus modeled for us the importance of a small group when he met with the twelve disciples. Small groups are an essential part of Christian growth. People will be best brought to wholeness and maturity within an atmosphere of honest and open relationships. This occurs best when men and women commit to meeting weekly with each other in their homes.

Small Groups intentionally care for those within the group and always try to reach those who are not yet connected. These groups serve as vital means for discipleship and care.

New groups will begin this fall.
