

Serving at United Baptist Church

"Looking not only to our interests, but also to the interests of others."

We believe:

- ♦ We are saved to serve!
- ♦ We are most like Jesus when we serve others!
- ♦ When we serve others we are serving God!

S.H.A.P.E. for Ministry

Spiritual Gifts

What are you spiritually gifted to do?

A spiritual gift is a special ability given by God to each believer. It is to be used to help others and build up the body of Christ.

Heartbeat

What do you love to do?

Your heart is the center of your motivation and desires. The kind of interests, issues, people you are passionate about is a great indicator of what ministry you should be involved in.

Abilities

What natural talents and skills do you have?

Each person has hundreds of abilities. The key is matching your abilities with the right ministry!

Personality

Where does your personality suit you to serve?

Are you more energized by interacting with people or working behind the scenes? Do you like structure or flexibility? Are you a morning person or night owl? Everyone is different.

Experiences

What life experiences have you had?

God never wastes a hurt! All of your past experiences have prepared you for a special ministry.
